Dear

High quality affordable homes in Broughton, Milton Keynes

We are delighted to share with you details of Luminus' new development of 67 high quality affordable homes at the Broughton E site in Milton Keynes. The homes will be for both rental and low cost home ownership to the Hindu and other faith community elders.

This is a ground-breaking example of sustainable development in Milton Keynes, and Luminus has worked in close partnership with Milton Keynes Hindu Association and English Partnerships to bring the homes to completion.

Luminus Group is widely known for our inspirational leadership and innovation in housing services delivery. We lead the way in socially responsible business in eastern England, focusing on providing homes, employment and real estate services, building sustainable communities and energising hope for life's best - today and for future generations.

We are enthusiastic pioneers of innovative, independently financed schemes for high quality affordable housing that give people of all ages and backgrounds choice to rent or buy.

We want to share our "more excellent way of doing business" widely and hope you will enjoy viewing the new homes.

If you are interested in either renting or buying a home and want more information please return the attached tear off slip in the envelope provided by 30 September 2007.

With kind regards

Yours sincerely
